An Angel in Search of Mercy -

Hit by a car at 4 months, Angel, faced a life of pain. The APL rescued her and took her for surgery, but the surgery was more complicated than originally thought.

This puppy has a zest for life and should be as good as new after therapy. Now 6 months old, her bills have mounted up.

Although we have received generous donations, we are still far short of the surgery costs. If you have room in your heart to help this amazing young dog, please send your donations to the shelter.

All donations should be marked to the "Emergency Medical Care." On behalf of Angel, the other Angels in need, and the

Shelter, we say THANK YOU!

The grand and glorious hats will be in vogue. The Mint Juleps will be passed around. And, the trip to Louisville will be quite unnecessary ... again!

Roses Run Country Club will once again be the venue for “Paws to Celebrate– Derby Day Party,” which was such a success last year it *had* to become a local tradition!

But what’s a great tradition without you? Make your party reserva-

about this party and it promises to be a sell-out!

“Last year’s event turned out to be such fun and so successful for the dogs and cats at Portage APL, that we quickly reserved the date at Roses Run for this year,” said co-chair Mary Cochran. “The buildings, the atmosphere and the location are perfect, and I loved all the fancy hats last year. One even had lottery tickets on it!”

Like last year, the party will be held in the Club’s “Derby Room” and, weather permitting, may spill out onto the patio.

Tickets for the event are being kept to last year’s \$75 per person, or \$600 for a table of eight. And, like last year, the price includes a buffet dinner with wine.

Festivities will begin at 4:30 p.m. and will conclude around 8:00 p.m. Music will be provided by Jonah Koslen, founding member of the Michael Stanley Band.

The actual Kentucky Derby

race is scheduled to run shortly after 6:00 p.m. The silent auction takes place before the race and the oral auction after.

Reservations can be made either by calling the APL at 330-296-4022, extension 0, or by filling out the form in this publication and sending it in with full payment prior to Mar 1st.

M.A.S.H. Spay/Neuter Clinic Schedule Set

- June 3**

- August 5**

- September 2 & 30**
- November 4**
- December 9**

Reservations are required and fees must be paid in advance.

The clinic application form is available at www.portageapl.org, or you may call 330.296.4022

Give Me Shelter! - Outdoor Dog Runs Getting a Partial

After conducting an in-house safety audit, it was determined that having canvas material over the external dog runs to provide shade for the animals constituted a fire hazard. Quotes were solicited from local contractors to provide a permanent wooden solution to the problem and the best and lowest bid came in at \$5,612.

Although the cost of the project is not included in this year's budget, the board decided to move forward with the project

and hope to somehow find the funding. Having the dogs outside in the hot summer sun without providing shade over a portion of each run is unacceptable. Also, the dogs need a place to escape from the rains and snow of north-east Ohio summers and winters. A shingle roof was chosen over a metal one so noise would be minimized in the event of a heavy storm or hail.

Construction of the partial roof should be completed by the middle of spring.

If anyone is interested in donating to the roofing project for dog safety and shelter, you can do so by calling the shelter. Going online at www.portageapl.org/youcanhelp/donateonline or by mailing your contribution to the shelter.

On behalf of all the dogs and puppies that will enjoy the new cover this spring and summer, "thank you!"

Miley 's Story - Give Me Shelter ... Please!

In late November, Portage APL's humane officer received a call about a dog that had been tied outside a garage at an abandoned home in Rootstown. There was no food, water or shelter for the dog and the weather was turning bad - raining all day and getting colder by the hour.

When he arrived at the house, he found a black, female Lab trying to dig a hole under the garage in order to seek shelter. The Lab was so happy to see someone

wanting to help her that she jumped into the truck, mud and all.

Back at the APL Shelter, she was dried off and warmed up, given food and water and a bed for the night.

The next morning paid unexpected dividends as mom had given birth to four puppies overnight. Apparently, she had not just been digging a hole under the garage for herself, but to provide shelter for her offspring. The likelihood of their survival in

the mud and cold would have been questionable at best.

Shelter staff named the mother "Miley." She will be up for adoption soon. The puppies, named "Noel," "Rudy," "Elf" and "Nick" are all doing well and will be moving to a puppy rescue for later adoption.

Cases of abandonment are up across Portage County. Report suspicions by calling 330-296-4022, ext. 102 or by going on-line at www.portageapl.org/animalcruelty.

"Hogs for Dogs" Poker Run Wants Riders & Sponsors

There will be thunder on the highway, Saturday, June 18th when Portage Animal Protective League celebrates its 4th Annual "Hogs & Dogs" Poker Run. This event begins rolling at noon and is open to all bikers and types of motorcycles.

The Poker Run also offers great sponsorship and underwriting opportunities for any business or individual who wants to

make a rally of bikers and a shelter of dogs and cats happy. Those interested in sponsoring may call Brian Coffman at (330) - 283-0030.

In addition to touring scenic Portage County and making new friends, bikers will enjoy a post-race opportunity for fun and profit as poker hands are called.

Pre-Registration by June 10th is

only \$20.00 for driver and \$15.00 for passenger. Day of Run Registration is \$25.00 for driver and \$15.00 for passenger

Rain or shine, "Hogs and Dogs" promises to be a winner for bikers and the animals in need of care and new homes. Register by calling 330-296-4022, extension 0 or go online to www.portageapl.org

4th Annual "Paws for Golf" Set for August 13

O.K. So it rained last year. Now we've taken care of the inevitable. So, let the sunshine make your day at the 4th Annual "Paws for Golf" charity outing to benefit Portage APL.

The event is being held at Aurora Golf Club and the price (which includes a lunch, dinner and a chance at some really great prizes), will remain at \$100 per golfer. For dinner only it's \$30.

Activities will begin with the bag drop and registration at noon with a shotgun start at 1p.m.. The

event will wind up with a wonderful BBQ dinner and prizes, and this year prizes will be drawn and assigned while golfers play to keep the event on pace. Only skill prizes will be awarded after dinner.

Registrations for this year's outing may be made by calling Portage APL at (330) 296-4022 or Aurora Golf Club at (330) 562-5300 and be sure to mention Portage APL "Paws for Golf" outing.

One sad note. After last year's outing, Bailey, the rescue dog of

Aurora golf pro Jim Beers, passed away.

While Bailey will long be remembered, it's nice that Jim and his wife Kim have filled the hole in their heart by adopting Toula, a Burmese Mountain Dog and Golden Retriever mix. After all, good homes is what "Paws" is about!

ACME RECEIPT DONORS

A big "thank you" to the wonderful people who collected ACME store receipts totaling \$5,018.73! Through the ACME receipt program, Portage APL will receive \$1,000 from the good people at ACME. That's a lot of dog and cat food, a ton of litter and a vet bill paid. To those who don't save ACME receipts, please start now!

CAGE & RUN SPONSORS NEEDED

Being a Cat Cage or Dog Run sponsor is a great way to visibly support the animals at Portage APL until they find their forever homes.

Each Cage or Run sponsor will have name(s) placed on the Cage door or Run entrance so everyone will know who has helped the animals. If an organized group is the sponsor, the

name of the organization will be posted on the Cage or Run.

Cage and Run sponsorships make great "responsibility teaching" projects for school classes, Cub Scout and Brownie Scout Troops, as well as church groups and clubs.

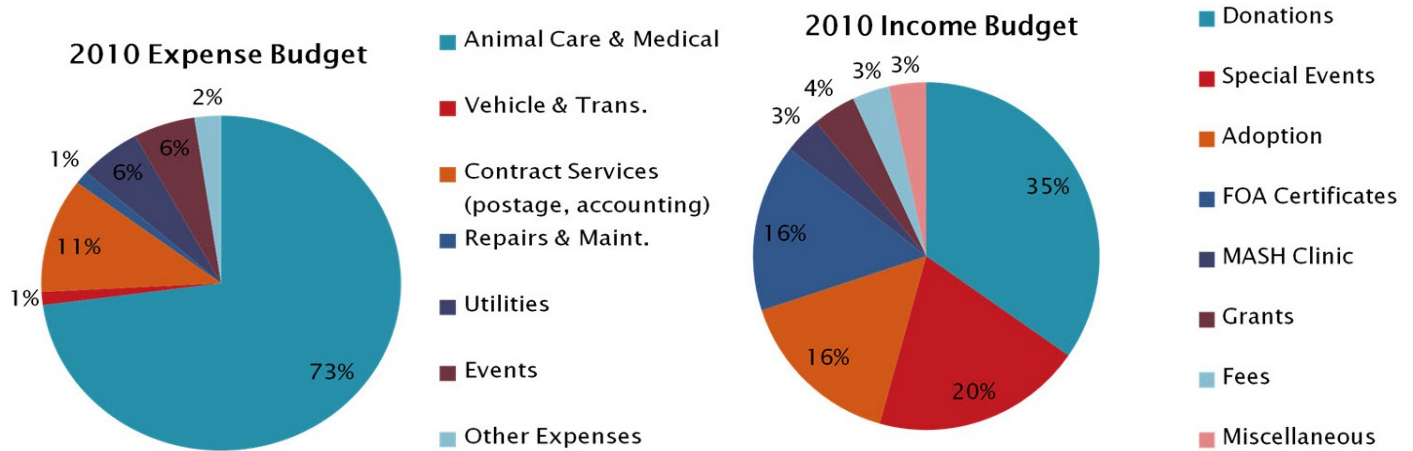

Many parents want their children to become cage sponsors to teach them about helping others

in need and to make them aware of animal welfare causes.

If you are interested in Cage or Run sponsorship, call 330-296-4022. or email to frontdesk@portageapl.org to request a brochure.

Sponsorship levels vary from \$500 per year to \$50 per month. Partial sponsorships are possible.

Portage APL Income Sources & How 2010 Funds Were Spent

A Note From Our President -

The past year has been challenging, but progress was made on a number of important concerns, not the least of which was improving the fiscal health of the organization. For the first time in three years, Portage APL ended the year incurring no additional debt. This came about because the staff reduced expenditures, monitored every cost, from utilities to postage, and created new efficiencies in shelter operations.

A generous grant from the Kenneth A. Scott Charitable Trust enabled us to replace antiquated computer equipment and to develop a new web and Facebook presence. Over \$2000 has been donated over the web since coming online in May.

2010 was not a good year for animals in Portage County. Incidents of animal abuse and abandonment skyrocketed and charges for abuse increased 250% over the previous year. Portage APL also had to take possession of cows, horses, rabbits and other animals that fall outside our primary focus. This

hurt our operating budget, but had to be done.

In an attempt to improve donations to PAPL, we initiated a leadership giving society. "Leadership Circle" will recognize those who have contributed \$1,000 or more in a given year, and "Life Memberships" are awarded when an individual's cumulative giving reaches the \$5,000 mark. Also, the board of PAPL expanded the number of special fund raising events, including the highly successful "Paws to Celebrate Derby Day Party" which brought in over \$25,000

All organizations have to deal with policies and procedures and this year was no exception. A comprehensive review of key policies and procedures was conducted to focus the organization on improving animal care at the shelter.

Finally, but most importantly, Portage APL filled holes in nearly 1000 human hearts through its adoption program. But the small size of our Shelter meant too many animals in need had to be

turned away. In time, we hope to expand, but not to become a warehouse for animals. Our most critical space need is where to house large seizures of animals, sometimes 20-30 or more in one incident.

In 2011, we plan to address animal overpopulation in Portage County, in part, by offering a series of spay/neuter clinics for those who may be unemployed or living on limited income. Space will be limited, but every spay or neuter helps.

I hope you will join with us in making 2011 a better year for all animals in need!

— Karen Carmany
