This is a great night out. Wouldn't it be wonderful if every time you went out for drinks or food, it made a positive impact on your community? Well, rest assured, Paws to Taste will meet that requirement! Have fun & help homeless animals at the same time.

Portage APL helps almost a thousand dogs and cats that have been abused, injured, or abandoned each year. Sometimes there are horses, rabbits and more. We hold low-cost spay/neuter clinics and investigate reports of animal cruelty and abandonment throughout Portage County. Your help is especially important around the holidays and with winter upon us, our needs increase.

I look forward to seeing you on November 11th!
