## Who We Are

We are the designated Humane Society in Portage County entrusted with upholding and enforcing all animal cruelty laws. Through these efforts, countless animals have been given a second chance, but many others continue to need our help.

**Adoption Center**

**Animal Shelter**

**Humane Investigations and Rescue Services**

**Community Educator**

**Pet Food Pantry**

## What We Do

### SINCE 1955

Portage Animal Protective League has been dedicated to animal welfare and responsible pet ownership.

-  **Prevent cruelty and neglect through humane investigations**
-  **Offer low cost spay and neuter for cats**
-  **Provide emergency rescue services**
-  **Connect people and pets**
-  **Provide quality medical care**

## How To Help

Help the animals at Portage APL by donating money, supplies, or your time. As a non-profit, tax-exempt organization, we rely on the generosity of donors.

### ENSURE YOUR LEGACY THROUGH **Planned Giving**

You can help us continue our important work by including Portage APL in your overall estate and financial plans.

**Name Portage APL as a beneficiary** of your retirement plan, insurance policy, investment, or bank account.

### **Become a Leadership Circle Member**

Membership is granted to donors who contribute a minimum of \$1,000 annually.

-  Leadership Circle members are recognized at the Portage APL annual Paws to Honor dinner and receive a certificate and special pin in recognition of their contributions.

**Thanks to our donors over 1,000 animals receive food, shelter, and medical care every year.**

**All adoptable animals admitted to Portage APL are given a safe haven until they find their "forever home."**

**With your planned gift, you leave a legacy that will make a lasting difference in the lives of animals.**
